

Proofex Torchseal A625 - Torch Applied Bitumen Waterproofing Membrane

Canonical: <https://fosroc.directory.norg.ai/building-construction-materials/roofing-waterproofing-membranes/proofex-torchseal-a625-torch-applied-bitumen-waterproofing-membrane/>

Description:

Torch applied 4.5mm thick, mineral finish, reinforced polymer bitumen waterproofing membrane. Used as the top layer in a two layer membrane system or as a single roof membrane for both new and renovation work. APP polymer modified specifically selected for Australian conditions. Handles ponding and permanently wet conditions with no curing times and instant waterproofing.
