

# Nitoproof 310 - Fibre Enhanced Latex Waterproofing Membrane

Canonical: <https://fosroc.directory.norg.ai/building-construction-materials/waterproofing-membranes/nitoproof-310-fibre-enhanced-latex-waterproofing-membrane/>

## Description:

Nitoproof 310 is a fibre enhanced single component water based latex liquid applied membrane designed for waterproofing applications where the membrane is to be covered over with tiles, screeds, and concrete beds. Features include low VOC content (17 g/l), non-hazardous formulation, elastomeric and flexible properties with excellent tensile strength, and excellent chemical resistance. Complies with AS4858:2004 standard.
