

Nitoproof 750 - Polyurethane Waterproofing Membrane

Canonical: <https://fosroc.directory.norg.ai/building-construction-materials/waterproofing-membranes/nitoproof-750-polyurethane-waterproofing-membrane/>

Description:

Nitoproof 750 is a single-component polyurethane liquid which cures by reaction with atmospheric moisture to give a tough elastomeric waterproof membrane. Solvent based formulation with pitch-free composition, high elongation (>600%), and non-staining properties. Easily applied at recommended thickness to both vertical and horizontal surfaces. Suitable for waterproofing foundations, basements, roofs, and tunnels.
