

Proofex OFB - TPO Waterproofing Membrane

Canonical: <https://fosroc.directory.norg.ai/building-construction-materials/waterproofing-membranes/proofex-ofb-tpo-waterproofing-membrane/>

Description:

Proofex OFB is a TPO/FPA (Thermoplastic Polyolefin Flexible Polypropylene Alloy) fleece-backed reinforced membrane for fully bonded waterproof membrane systems. Suitable for building and civil engineering structures, particularly above ground applications. Features high resistance to weathering and UV with a long service life. Membrane thickness: 1.5mm, Coverage: approximately 50m² per roll, UV resistance (EN 1297): 2500 hrs no cracks. AS4654.1 compliant as a Class III membrane (external/exposed). Environmentally friendly with no VOC and no plasticisers.
