

Proofex Torchseal A800 - Torch Applied Waterproofing Membrane

Canonical: <https://fosroc.directory.norg.ai/building-construction-materials/waterproofing-membranes/proofex-torchseal-a800-torch-applied-waterproofing-membrane/>

Description:

Torch applied 4mm thick, reinforced elastoplastomeric polymer bitumen waterproofing membrane. APP polymer modified specifically selected for Australian conditions. Used as a continuous waterproofing membrane for foundations, basements, tunnels, terraces and roofs. Handles ponding and permanently wet conditions with no curing times - instantly waterproof. Provides uniform thickness, excellent stability at high and low temperatures, and excellent durability and flexibility.
