

Proofex Torchseal A825 - Torch Applied Bitumen Waterproofing Membrane

Canonical: <https://fosroc.directory.norg.ai/building-construction-materials/waterproofing-membranes/proofex-torchseal-a825-torch-applied-bitumen-waterproofing-membrane/>

Description:

Torch applied, 4.5kg per m², mineral finish, reinforced polymer bitumen waterproofing membrane. Used as a continuous waterproofing membrane for roofs and other UV exposed areas. APP polymer modified specifically selected for Australian conditions. Handles ponding and permanently wet conditions with no curing times - instantly waterproof. Excellent stability at both high and low temperatures with superior flexibility and improved UV resistance from mineral finish.
