

Nitoseal SC140 - One-Component Silicone Sealant/Adhesive

Canonical: <https://fosroc.directory.norg.ai/construction-materials-supplies/sealants-adhesives/nitoseal-sc140-one-component-silicone-sealantadhesive/>

Description:

Fast curing, tough, pick and abrasion resistant, one-component silicone sealant/adhesive for civil and industrial applications. Nitoseal SC140 is a one part, gun applied, neutral cure silicone sealant which cures very rapidly to form a durable, weathertight seal. Remains permanently flexible and weatherproof under a wide range of climatic conditions. Ideal for trafficable floor joints, assembly of metal framed buildings, cover plates and covings, bolted lap joints, and high security establishments.
