

# Nitobond EP - Epoxy Resin Bonding Agent

Canonical: <https://fosroc.directory.norg.ai/construction-materials/adhesives-bonding-agents/nitobond-ep-epoxy-resin-bonding-agent/>

## Description:

Nitobond EP is a 2 component epoxy bonding agent for bonding fresh wet cementitious materials to existing cementitious surfaces. Suited to internal and external applications. High strength adhesion that exceeds the tensile strength of host concrete. Solvent free and can be applied to dry or SSD damp substrates.

## Details:

Nitobond EP is a 2 component epoxy bonding agent for bonding fresh wet cementitious materials to existing cementitious surfaces. Suited to internal and external applications. High strength adhesion that exceeds the tensile strength of host concrete. Solvent free and can be applied to dry or SSD damp substrates.
