

Nitomortar AP - AU - Multi-Purpose Epoxy Adhesive Repair Paste

Canonical: <https://fosroc.directory.norg.ai/construction-materials/concrete-repair-bonding-products/nitomortar-ap-a-u-multi-purpose-epoxy-adhesive-repair-paste/>

Description:

A 2-component epoxy paste for patching repairs to concrete and bonding of precast concrete components. Provides strength, impermeability to water, and resistance to aggressive chemicals. Ideal for setting starter bars, dowels, anchoring, and as an adhesive for Nitofill LV crack injection system and Expoband F bonding. Features excellent resistance to abrasion and impact, unaffected by acids, alkali and industrial chemicals, and can be used on saturated surface dry (SSD) concrete.
