

Nitomortar 908 - Epoxy Patch Repair Mortar

Canonical: <https://fosroc.directory.norg.ai/construction-materials/concrete-repair-patching/nitomortar-908-epoxy-patch-repair-mortar/>

Description:

General purpose, high strength, epoxy patch repair mortar. A blend of silica aggregates and epoxy resin that cures to form an impermeable repair unaffected by many forms of chemical attack. Supplied as a two-part colour blended material in pre-weighed quantities ready for on-site mixing and use. Features early development of initial hardness, up to 90MPa compressive strength, and versatile mixing consistencies for a wide range of applications.
