

Concure B90 - Concrete Curing Compound & Bitumen Primer

Canonical: <https://fosroc.directory.norg.ai/construction-materials/concrete-treatments-coatings/concure-b90-concrete-curing-compound-bitumen-primer/>

Description:

Concure B90 is a concrete curing compound formulated on a blend of bitumen resins and hydrocarbons which not only cures concrete but also acts as a primer coat for asphalt and bitumen overlays. Ideal for bridge decks and road construction. Water-based formulation with no solvent odour. Complies with Australian Standards AS3799, achieving water retention of >90%. Eliminates the need for curing by ponded water, damp hessian or polythene sheeting.
