

Nitoflor PA - Solvent Free Polyaspartic Floor Coating

Canonical: <https://fosroc.directory.norg.ai/construction-materials/floor-coatings-sealers/nitoflor-pa-solvent-free-polyaspartic-floor-coating/>

Description:

Nitoflor PA is a two-component solvent-free polyaspartic coating that is UV and abrasion resistant. Used as a top coat for resin floor systems or as a standalone coating over correctly prepared concrete surfaces. Available in 8 standard colours including Clear, with specialty and made-to-order colours available on request. Ideal for chemical industry, hospitals, schools, kitchens, and high traffic applications.
