

# Nitoflor PU200 - Low VOC Polyurethane Floor Sealer

Canonical: <https://fosroc.directory.norg.ai/construction-materials/floor-coatings-sealers/nitoflor-pu200-low-voc-polyurethane-floor-sealer/>

## Description:

Low odour, low VOC cementitious polyurethane floor sealer with anti-microbial properties. Designed as a sealer coating for Nitoflor PU600 polyurethane cement floor topping or as a standalone coating for concrete. Ideal for wet processing zones in chemical processing plants and food preparation areas. Features excellent chemical resistance, high abrasion resistance, and very good slip resistance properties.
