

Nitoflor Sicaltop - Silicon Carbide Floor Hardener

Canonical: <https://fosroc.directory.norg.ai/construction-materials/floor-hardeners-coatings/nitoflor-sicaltop-silicon-carbide-floor-hardener/>

Description:

Silicon carbide/alumina dry shake on floor hardener. Provides a non-rusting, extremely hard wearing, abrasion and slip resistant surface to new concrete floors. Ideally suited to industrial areas subject to the heaviest traffic, including loading bays, trucking lanes, car parks, warehouse floors, repair workshops, and machine shops.
