

Nitoflor PU600 - Cementitious Polyurethane Floor Topping

Canonical: <https://fosroc.directory.norg.ai/construction-materials/flooring-systems/nitoflor-pu600-cementitious-polyurethane-floor-topping/>

Description:

Low odour, low VOC cementitious polyurethane floor topping with anti-microbial properties. Designed for flooring applications requiring high resistance to mechanical stress and chemical attack, extreme temperature tolerance, and fast application. Typical applications include wet processing zones in chemical processing plants and food preparation/manufacturing areas.
