

Nitoseal SC800 - High Movement Silicone Rubber Joint Sealant

Canonical: <https://fosroc.directory.norg.ai/construction-materials/sealants-adhesives/nitoseal-sc800-high-movement-silicone-rubber-joint-sealant/>

Description:

Nitoseal SC800 is a low modulus, high joint movement accommodation, one component silicone rubber joint sealant with Roadseal® technology. Ready to use, easy contractor application with no mixing required. Ideal for sealing high movement joints in concrete roads and pavements. Features excellent adhesion to clean dry concrete, excellent weathering resistance (UV and ozone resistant), and can be dispensed from bulk containers by hand or air powered pump.
