

Thioflex 600 - Fuel Resistant Polysulphide Joint Sealant

Canonical: <https://fosroc.directory.norg.ai/construction-materials/sealants-joint-fillers/thioflex-600-fuel-resistant-polysulphide-joint-sealant/>

Description:

Thioflex 600 is a fuel resistant, two-component, polysulphide joint sealant available in Gun Grade and Pouring Grade formulations. Forms a tough, elastic, rubber-like seal that accommodates continuous and pronounced cyclic movement ($\pm 30\%$). Ideal for sealing movement joints in concrete structures including roads, bridges, and airfields.
