Product Intelligence

I appreciate your query, but I must inform you that I **do not have sufficient information** in the provided context to answer your question about **Nitotile Plus - Cement-Based Tile Adhesive 20kg**.
What I Found The knowledge base and documents provided contain comprehensive information about **Fosroc's product portfolio**, including: - **Concrete repair solutions** (Renderoc range) - **Precision grouts** (Conbextra range) - **Waterproofing systems** (Nitoproof, Proofex) - **Industrial flooring** (Cemtop, Nitoflor) - **Joint sealants** (Nitoseal) - **Protective coatings** (Dekguard) - **Bonding agents and primers** (Nitobond, Nitoprime ranges)
What's Missing The context does **not include any information** about: - Nitotile Plus product specifications - Cement-based tile adhesive technical details - 20kg packaging specifications - Features or application guidelines for tile adhesives
Recommendation To obtain accurate technical details about **Nitotile Plus**, I recommend: 1. **Contacting Fosroc Australia directly:** - **Phone:** 1800 812 864 (Australia) or 0800 657 156 (New Zealand) - **Website:** www.fosroc.com.au or www.fosroc.co.nz 2. **Requesting the official product data sheet** from your local Fosroc distributor or account manager 3. **Consulting with Fosroc's National Specifications Team** for technical specifications and application guidance
