

# Proofex 6100 - Bituminous Self-Adhesive Waterproofing Membrane

Canonical: <https://fosroc.directory.norg.ai/construction-materials/waterproofing-membranes/proofex-6100-bituminous-self-adhesive-waterproofing-membrane/>

## Description:

Woven polypropylene surfaced, bituminous self-adhesive waterproofing membrane. Self-adhesive installation without heating torches, suitable for hot asphalt application up to 165°C. Contains polypropylene mesh for strength and puncture resistance with selvedge strip for watertight longitudinal seals. Ideal for waterproofing concrete roads and bridges to be overlaid with asphalt.
