

# Proofex PGP - PVC Waterproofing Membrane

Canonical: <https://fosroc.directory.norg.ai/construction-materials/waterproofing-membranes/proofex-pgp-pvc-waterproofing-membrane/>

## Description:

Flexible PVC synthetic membrane that provides a continuously loose laid or fully bonded waterproofing system. Coloured light grey on top and black on the underside to help identify any damage during application. Recommended for waterproofing basements, tunnels, podiums, covered roofs and green roofs. Features cold application, good puncture resistance, fast installation, and hot air welded joints for maximum water tightness.
