

Proofex Torchseal A900 - Torch Applied Waterproofing Membrane

Canonical: <https://fosroc.directory.norg.ai/construction-materials/waterproofing-membranes/proofex-torchseal-a900-torch-applied-waterproofing-membrane/>

Description:

Torch applied 5mm thick, reinforced elastoplastomeric polymer bitumen bridge deck waterproofing membrane. Characterized by high resistance to puncture and suitable for single layer waterproofing systems where high mechanical resistance is required, such as bridge decks, roadways and viaducts. APP polymer modified specifically selected for Australian and NZ conditions. Handles ponding and permanently wet conditions with no curing times - instantly waterproof.
