

Nitoband SA - Self-Adhesive Sealing Tape

Canonical: <https://fosroc.directory.norg.ai/construction-materials/waterproofing-sealants/nitoband-sa-self-adhesive-sealing-tape/>

Description:

Nitoband SA is a self-adhesive tape alternative to traditional bond breaking methods for sealing critical movement zones. Superior self-adhesive sealing system for critical joint areas over traditional bond-breaking sealants and tapes. Suitable for sealing movement joints and small expansion joints up to 25mm with high elongation and movement capabilities.
